Christmas Week

On Wednesday 16th December we had our Christmas Dinner together at The Hub, in our Christmas Jumpers! We also had a Christmas Party on Friday with a buffet which the children all had together. We hope you all had a lovely Christmas!

Winnie the Pooh Day

On Monday 18th January it was Winne the Pooh Day, at The Hub we had a teddy bear picnic where the children made bear masks, brought their favourite teddy, and read the Winnie the Pooh story!

What we have learnt this Term!

During Spring Term 1 the children have learnt some of the below topics

New year and new beginnings, we spoke about new year resolutions and why we make them.

Friendship, the children learned about friendships and what they mean. They built on their team building and learning to accept disappointment throughout playing games whilst working on their fine and gross motor skills.

All About Me, the children learnt all about themselves and their interests and dislikes, the colour of their hair and eyes, family & friends, and their favourite food!

Vikings

Last week the children at The Hub learnt about Vikings, they looked at their lifestyle, the foods they ate and even created their own battle weapons! The children made their own Viking Food!

We are a member of the Nurture Group UK and use the theory and practice of Nurture Group Principles.
